

American College of Radiology 2024 National & Chapter Membership Dues

All ACR members must belong to a local chapter*. Please see Chapter Dues Schedule below to determine the price of chapter membership including special pricing if you choose to belong to a second chapter. [To find out more about membership eligibility, click here.](#)

National Dues	
Member Type	Price
Physician Members	
Board Certified Physician: Diagnostic, Interventional, Radiation Oncologist or Nuclear Medicine	\$900
1 Year Out of Training	\$70
2 Years Out of Training	\$240
3 Years Out of Training	\$360
4 Years Out of Training	\$570
Medical Physicists	\$240
Active or Associate	
1 Year Out of Training	\$60
2 Years Out of Training	\$90
3 Years Out of Training	\$145
International Members	\$355
International Member-In-Training	\$125
Associate (Not Board-Certified Physicians)	\$900
Allied Health	\$240

You are entitled to 50% discount on national membership dues if you are:

- U.S. full-time military
- USPHS employee
- Veterans Administration employee
- Canadian. Canadian members join the Canadian Association of Radiology (CAR) in lieu of joining a chapter.

*You do not have to join a chapter if you are:

- U.S. Active-Duty military
- USPHS employee
- International Member
- First year Out of Training
- Canadians join CAR

Post-Residency or Fellowship:

- Dues are graduated for the first 3–4 years
- You are moved from Member-in-Training status in the Resident and Fellowship Section (RFS) to a practicing member in the Young Physician Section (YPS)
- Your years in-training may be free*. Contact your Program Director or Coordinator or email traineeupdate@acr.org

Retired?

- Please contact membership@acr.org to report your retirement for free membership
